"Education is not the filling of a pail, but the lighting of a fire."

About the Seminar

The National Education Policy-2020 (NEP-2020) is a comprehensive and all-encompassing plan to change education in the Indian educational system in all of its facets.

The objective is to transform India's educational system and bring it on par with international norms. It also emphasizes on providing top-notch education to everyone, regardless of background. This is a significant development for India's educational system. The country and its residents will undergo significant adjustments and reforms as a result.

The National Education Policy (NEP) mandates that colleges and universities develop more inclusive and adaptable curricula. The creation of a completely new National Education Commission, the expansion of teacher preparation institutions, and the provision of free and compulsory education to all children between the ages of 3 and 18, are some of the plan's most significant features.

The seminar serves as a platform for participants to exchange ideas, know the pros and cons of the policy, and discuss innovative approaches and challenges for implementing the NEP in their respective institutions.

Our Vision

To achieve and sustain excellence in teaching and learning.

To make quality education defining feature of this college which reflects both its' rich legacy and global outlook

The College

K.L.P. College is a constituent college of Indira Gandhi University Meerpur, Rewari established in 1964, with an objective of imparting quality education to the aspiring students of South Haryana. Kishan Lal Public College has completed more than five decades in its pursuit of academic excellence. Under the aegis of Public Education Board Rewari, an independent governing body manages the college. Named after an educationist and a visionary philanthropist Late Pt. Kishan Lal Sharma, the college has earned a remarkable reputation in the state as a co-educational academic institute.

This college has the distinction of being one of the oldest colleges in Haryana. Today, college can boast of a special campus, state-of-art infrastructural facilities and highly acclaimed faculty trained at leading universities in India.

The College at present offers 10 Undergraduate, 2 Postgraduate programs to make the students globally competent. The core values of the College are Excellence, Integrity, Women Centeredness, Inclusiveness and Social Commitment.

The college provides a liberal, lively and competitive environment enabling students to carve out a niche for themselves in their chosen areas. Besides the infrastructural facilities, the strength of the college lies in its congenial and enriching atmosphere, which plays a crucial role in maintaining the excellent record the college is renowned for.

The college deserves the pride to have an exceptionally beautiful lush green campus, magnificent building of architectural beauty spreading over about 18 acres of land, catering to overall development of more than 2500 students.

The college has seen remarkable growth over the years. Today, it is not only one of the most distinguished graduate & Post graduate co-educational institution in the country, but is also, by many accounts, the college of first choice in the university .
