

# KISHANLAL PUBLIC COLLEGE, REWARI

The policy of the college is to fulfill and upgrade the infrastructural requirements as and when such need arises various committees of the college are constituted to plan and ensure that the available infrastructure is in line with its academic growth and is optimally utilized. These include.

- Advisory Committee
- Timetable Committee
- General Purchase/Procurement Committee. (This is decentralized)
- Building Committee.
- Library Committee

The college ensures regular maintenance and upkeep of all infrastructural facilities. The maintenance work is carried out by trained in-house experts as well as outsourced to appropriate outside agencies. A full time caretaker is appointed by the college to ensure the cleanliness, hygiene, sanitation, water supply, electricity, security and to update the Principal of the institution about the current/daily state of affairs. Furniture and equipment are purchased on regular basis as per the requirements. The college has its own fulltime electrician, peons, watchmen, sweepers and gardeners. The college has appointed a senior Technical Assistant and a Computer Network Assistant to provide regular support services relating to computer hardware and software. Part time plumber ensuring adequate supply of water, functioning of bore-wells , pumping of water , regular cleaning of stored water and sewage drains, adequacy of facilities in washrooms, underground overhead tank and Industrial RO maintenance.

The decision in respect to proposals for initiating new programmes or activities in the college is taken in the Advisory Committee meetings. The decisions are taken to the Governing body for approval. The time table committee evaluates the possibility of rational and optimal use of time and space available. Rooms of different sizes are allotted in accordance with are size of the classes. They make recommendations periodically about the need for expanding the existing space, remodeling or re-using the existing space. Further suggestions are made for the most efficient use of the time frame, keeping in mind the need to balance academics, co-curricular and extra-curricular activities.

The following committees are formed to maintain and utilize physical, academic and support facilities.
